## Here Is One Thing That Is Absolutely Impossible

Rheumatism Has Never Been Cured by Liniments or Lotions, and Never Will Be.

You never knew of Rheumatism—that most painful source of suffering—being cured by liniments, lotions or other external applications. And you will never see anything but temporary relief afforded by such makeshifts.

But why be satisfied with temporary relief from the pangs of pain which are sure to return with increased severity, when there is permanent relief within your reach? Science has proven that Rheumatism is a disordered condition of the blood. How then, can satisfactory results be ex-

pected from any treatment that does not reach the blood, the seat of the trouble, and rid the system of the cause of the disease? S. S. S. has for more than fifty years been giving relief to even the most aggravated and stubborn cases of Rheumatism. It cleanses the blood by routing the disease germs. The experience of others who have taken S. S. S. will convince you that it will promptly reach your case. You can obtain S. S. S. at any drug store.

A valuable book on Rheumatism and its treatment, together with expert medical advice about your own individual case, will be sent absolutely free. Write today to Medical Department, Swift Specific Co., 250 Swift Laboratory, Atlanta, Ga.—Adv.

## WILL BACK ALLEN

Kansas Rotarians Plan Endorsement of Coal Mine Plan.

Movement Started by Junction City Club by Resolutions.

Junction City, Dec. 4.—A movement to have all Rotary clubs and chambers of commerce in Kansas endorse the efforts of Henry J. Allen in opening the strip pit mines was begun at meetings today. The Rotary club adopted the following resolution:

"To Governor Henry J. Allen:

"My Dear Governor: The Junction City Rotary club in regular session today adopted the following resolution unanimously:

"Be it resolved, That the Junction City Rotary club commends the action of Governor Allen for coal relief as the acme of courage, wisdom and real Americanism.

"We recognize that the struggle has ceased to be for the settlement of any mere issue between the miners and operators of labor and capital but is now for the determination of the right of our present form of government to live and function.

"We extend to the governor our whole-hearted support, both physical and moral, and invite all other Rotary clubs to openly enlist under the banner of the American government in this fight against the attempted tyranny of a revolution minority.

"J. B. FRYAN, President."

The resolution drafted by the Chamber of Commerce is identical with the foregoing and was sent to Governor Allen by Harry Pierce, president.

## WALKER WHITESIDE

In "The Master of Ballantrae" at the Grand Tonight.

Walker Whiteside appears at the Grand tonight, December 4, at which time he will present "The Master of Ballantrae," a dramatization of Robert Louis Stevenson's celebrated novel of the same name.

Walker Whiteside.

In this thrilling play of romance and roguery, Mr. Whiteside will impersonate a young Scotch laird of three and thirty; handsome and athletic; "an uncut diamond," as Stevenson says; a card sharp, and an expert duelist, and a figure to intrigue the interest of every woman, and compel the admiration of the men.

Mr. Whiteside is said to fairly revel in the role of James Durie, "Master of Ballantrae," for it presents an opportunity to run the gamut of the human emotions, from lofty sentiments and heroic action; to sneaking eavesdropping and sordid money grabbing. In the star's support will be found a fine coterie of players, and the production will be in keeping with the high standard which marks this actor's efforts.

## CARPENTIER IS FAVORITE

But Money Is on Beckett to Win in London Tonight.

London, Dec. 4.—Georges Carpentier is the popular favorite to win but the money has gone on his bulky opponent, Joe Beckett.

Odds of 5 to 4 prevailed here today that the British champion would win from the king of the French heavyweights.

The twenty-round fight tonight in Colburn stadium for a purse of \$40,000 and the right to meet Jack Dempsey for the championship is the biggest sporting event in Europe since the beginning of the war.

Less than 5,000 spectators will see the fight. Hundreds of Frenchmen, however, were still coming across the channel following the tip that standing room would be sold.

# Rheumatism

**A Remarkable Home Treatment Given by One Who Had It.**

In the Spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, some of them 70 to 80 years old, and results were the same as in my own case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of getting rid of your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when relief is thus offered you free? Don't delay. Write today.
